Lloyd's Register Statement for NLMK MQS certification under Materials Quality Scheme Approval No. MQS 016.

Lloyd's Register confirms that Materials Quality Scheme Approval No. MQS 016, issued to NLMK is subject to compliance with the LR Rules for the Manufacture, Testing and Certification of Materials. The full details of the processes and grades to which this approval applies are given on the MQS certificate No: LR21392281MQ.

Within this approval, there is no requirement for the LR Surveyor to issue an LR certificate, or to stamp and sign manufacturer's certificates.

MQS approval allows NLMK issuance of the material certificates on the behalf of LR for the grades to which this approval applies under MQS 016.

Yours sincerely,

Hans Lanting
